

Product Disclosure Statement update and Significant Event Notice dated 1 July 2026 – Vanguard Super SaveSmart

Issued by Vanguard Super Pty Ltd (ABN 73 643 614 386 / AFS Licence 526270) as the Trustee of Vanguard Super.

1 July 2026

Important notice to members

From 1 July 2026, there are changes to the investment return objectives for Vanguard Super's Diversified investment options (including the Lifecycle investment option) that are disclosed in the Vanguard Super SaveSmart Product Disclosure Statement and Investing Your Super Guide dated 1 October 2025.

About this notice

This notice has been issued by Vanguard Super Pty Ltd (**Trustee, Vanguard, we or us**) for the purposes of providing updated information with respect to the Product Disclosure Statement (**PDS**) and Investing Your Super Guide (**Guide**) for Vanguard Super SaveSmart both dated 1 October 2025, pursuant to the requirement under the *Corporations Act 2001* (Cth) to advise members of significant events or material changes.

This information should be read in conjunction with the PDS and Guide. Prospective and current members should read the PDS and this update in its entirety before applying to invest in Vanguard Super SaveSmart or making an investment switch. The defined terms have the same meaning as the PDS unless otherwise stated.

Updates to the PDS and the Guide

The updates to the PDS and the Guide are for changes to the investment return objective that reflects our latest expectations for investment market returns above the Consumer Price Index (**CPI**). This is a point in time forecast of the annualised average return percentage of the investment option over a 10-year period from 1 July 2026 (after taking into account fees and taxes).

The investment return objective information included in the 'Lifecycle – a snapshot' table on page 7 of the PDS and within 'The Vanguard Super SaveSmart investments options in detail' section on pages 49 – 73 of the Guide has been updated to reflect changes to the investment return objectives. The changes to the investment return objectives are shown in **red** below.
